## Beach Cleanliness Drive:-

Beach cleanliness drive was conducted every year in the month of July (except pandemic year). The aim behind the 'Beach Cleaning Drive' was to remove the plastic waste which was thrown by people and thrown out from the sea. Teams of volunteers spread all around the beach with disposable bags and collected many types of plastic waste. The Drive was ended with giving the waste to the dumping van and meeting with the beach cleaning officials and leaving behind a clean beach. Students participated with great enthusiasm in the same. We were glad to receive positive response from the public. The roads were cleaned and awareness was created among the people on maintenance of cleanliness in and around the premises.
