among the Indian youth while meeting the future skill requirements of various industries. With the whole community functioning as a learning ground, students are encouraged to develop a problem-solving mindset, widening their future career prospects and earning capacity.

Raw Engineering Academy has come from a very noble and humble thought of giving back to the region, Vasai-Virar. The academy is a specialized IT and soft skills training program, designed to combat India's job-readiness crisis & bridge the skills gap. They offer intensive job-readiness programs that give students access to adequate training by industry professionals, mentorship through the course & experience working on Real Life Projects. Their multi-skilled and industry-focused programs guide students towards the future skills that can lead them towards a brighter tomorrow.

They are constantly working on the holistic education approach where not only students but all the stakeholders of the society like teaching & non-teaching staff and parents are aware of the vibrant and social impact of education and continuous learning methodologies and future skills.

The objective of the MoU is to cooperate to provide a multifaceted industry-institute interactive partnership which will benefit the undergraduate students of all the departments. In addition, this partnership will enable the **Padmashree Bhausaheb Vartak College** to produce skilled and industry-ready professionals.

To meet the above objectives both parties agree to the following scope of activities and respective responsibilities:

1. Industrial Research & Consultancy
2. Onsite educational program
3. Training program / Short term assignments to the faculty members
4. Visit to the Organization
5. Short Term courses for Student in UI-UX web designing
6. Participation of expert from industry in Curriculum Design

This MoU may be modified by mutual consent of authorized officials of Raw Engineering Academy and Padmashree Bhausaheb Vartak College. This MoU shall become effective upon signature by the authorized officials from Raw Engineering Academy, Virar (W) and Padmashree Bhausaheb Vartak College, Virar (East), Dist.
