

## REPORT ON WORKSHOP ON CALLIGRAPHY.

Calligraphy is the art of forming beautiful symbols by hand and arranging them well. It's a set of skills & techniques for positioning and inscribing words to enhance or ignite the creative fire.

Being the most demanded handwritten skill, it was used profoundly by students to decorate welcome boards and also their working at personal level. Thus, the college had organized a 20 day workshop on calligraphy from 8:00 am to 9:30 am in the college premises in the month of August & September, 2019. Mrs. Shailesh Jaygadkar was invited and appointed as the resource person for the same.

The workshop included introduction to calligraphy, different types of tools, universal rule, pen holding techniques, basic & advance stroke designs, cap Alpha-Numerical techniques, etc.

The workshop proved to be indeed very useful to develop the artistic skills of the students.
