Report on Gandhi Saptak Celebration Seminar on Non-Violence

"Non-violence is the article of faith."
- Mahatma Gandhi

On the occasion of 150th Birth Anniversary of Mahatma Gandhi A.V.A. Education Society's Padmashree Bhausaheb Vastak College and N.G. Vastak Junior College had organised Seminar on non-violence on 26th sept 2018 in college auditorium.

For giving seminar on non-violence we had invited Mr. Maxwell Lopes. Our speaker very well explained on how Mohandas Gandhi, is often considered as a founder of the non-violence movement and how did he spread the concept of ahimsa through his movements and writings which then inspired other nonviolent activists.

Our speaker also gave various examples where Mahatma Gandhiji proved that non-violence is best weapon to fight against britishness. He further explained that Gandhi provided the world with his timeless philosophy. It was not meant for the independence of India only. Non-violence is itself normative. It applies to any situation. Gandhi's non-violence remains an authentic source of normative personalism meaning that it aims first of all to re-instate the dignity of the human person. He was a fearless advocate of the human person in community and providing a foundation for human rights. He is therefore called the emancipator

of the oppressed. Gandhi's greatest achievement lies in the fact that he used this philosophy to overcome the system the British had set up in India. Seminar was really very lively. The seminar ended with vote of thanks given by student of F.Y.B.Com.
