Strengthening mental health through Meditation:-

What is wellbeing?

Feeling happy
center

Working effectively
and productively

Having a life beyond
work responsibilities

Being engaged
and motivated

The World Health Organization
defines mental health as a state of well-being in which an individual realizes his or her own potential, can cope with the normal stresses of life, can work productively and fruitfully, and is able to make a contribution to his or her community.

Definition of Mental Health by WHO

Sub: Appreciation Letter

This gives us a great pleasure to issue this appreciation letter to Padmashree Bhausaheb Vartak College, Virar East, in appreciation to their efforts to conduct various activities of annual extension work. One of them is the **"Workshop on Japan to Vasai for how to use Japanese technology in their daily work"** at Pachu Bander, Vasai (W).

Fisherfolks were very happy to know the Japanese technology to implement in their daily fish selling which will help them for exporting the fishes.

We appreciate the efforts of the college to reach to the unreached sections of the society and such innovative activities and offer our best wishes for their future endeavors.

Thanking You,
Yours faithfully
